Work Experience

May 2025 — Oct 2025

OpenSolar

Head of Design (Contract)

Luuk Rombouts is a hands-on designer with over 10 years experience in design strategy consulting and in-house product delivery. Prototypes real interactive things. Designs for humans & climate. Likes launching products from scratch.

May 2023 — May 2025

Woolworths Group (Refresh:Food)

Head of Design

He has worked for a variety of agencies, start-ups and scale-ups. His work has been listed at Forbes, IXDA Awards, Motherboard, Der Spiegel and other places. As a consultant, he collaborated with clients like H&M, IKEA, Ford, Shiseido & Wellcome Trust. Returning faculty at CIID and Hyper Island, teaching prototyping courses.
